

Autism Awareness for the EMS Professional

Offered by the Autism Law Enforcement Coalition

The ALEC Program offers training so that EMS Professionals are able to recognize and better manage situations involving children and adults with Autism Spectrum Disorders (ASD).

- When: June 3, 2010, 10a-1p
- Where: 6 River Court, 2nd Floor, Webster, MA **
- Who: Any Public Safety Professional
- How to Register: visit websterems.com/education.shtml and sign-up online
- Sponsor: This class is being sponsored by Webster EMS and offers 3 Con-Ed Hours

There is no charge for this class. However, since we anticipate a large turn-out, pre-registration is required.

Please contact Patrick Brown at (508) 943-2218 or pbrown@websterems.org with any questions.

** Actual venue may change; registrants will be notified via e-mail
